Henssonow 9786133199682 6133199687 , Lambert M.

**Read FOREST ROADS: A synthesis of scientific information**

With the country now becoming a holiday destination for millions instead of thousands, the Indonesian government is calling upon those with an interest in tourism and the environment to meet and discuss ways of creating a tourism industry that does not destroy the very environment upon which it thrives. The Oregon Air National Guard has been using the facility, and is turning it back over to the Department of Defense.
