## Eugénie, star

Louis Napoleon became Emperor Napoleon III in December 1852, and the following month, on January 22, 1853, he announced his engagement to Eugénie.

## Peinture Française du 19ème Siècle: Empress Eugénie on Horseback (1857)

By a miracle, neither Eugénie nor the emperor were seriously hurt, although 12 were killed and many were wounded by the bombs. On the following day, September 4, with a mob storming the Tuileries, the dethroned empress and her 14-year-old son Lou-Lou, the prince imperial, fled for their lives from a side door in the palace and sought refuge with the emperor's American dentist, Dr. Prince Salim was a spoiled and rude boy.

## Eugénie (1826)

Duff speculates that Manuela's conspicuous carnality may have had much to do with Eugénie's later aversion to sex and her deep contempt for men.

## 12 Famous French Couples in Love, For Better or Worse

Bismarck was a man who could not be intimidated by threats, and it seemed likely that when he believed Prussia was ready to take on France he would go to war.

## Twitter Icon

Welcomed by Victoria on visits to Osborne and Windsor, the prince felt more at home with royalty than at his dreary house at Woolrich, where he was enrolled as a cadet. I recommend this frame from West Elm Shipping. All photographs will be shipped in a photo mailer via USPS. Soon after, Tristan falls ill and sends for Isolde.
