How prepared are you to teach these students? Nonfiction craft lessons: Teaching information writing K-8.

## mikhmon.us.to: Teaching Language Arts: A Student

Janet Allen and two teachers offer tips for a successful start to shared reading. Urbana, IL: National Council of Teachers of English, 1996. Teachers, kids, and volunteers agree: Everybody Wins! Allow some scaffolding with the native language.

## Teaching Writing to Diverse Student Populations

This popular, practical planner is now built right into the back of the book, and perforated for readers who wish to remove it. I think the author has made a tremendous effort to make the connection between language arts and other areas of curriculum explicit and natural.

## mikhmon.us.to: Teaching Language Arts: A Student

This week, Education World talked with teachers who use daily journal writing in their classrooms. Her research has focused on children's stance towards literature from a reader-response perspective. Games help build students academic confidence, improve their problem-solving skills, and strengthen teacher-student and student-student relationships.
