### Two

Since this is a one-page template the user need not jump to other pages to see your works. Understanding Portfolio Weight A portfolio is created with weights in mind.

### Two

To match the creative design of this template, the line icons used are also unique with thick line strokes.

### **Yahoo is now a part of Verizon Media**

At the header section, you also have the option to provide a call to action button to download the CV.

### **Portfolio2Gallery**

Filter options are shown as category tags just above the portfolio, so the user can easily filter and see the work they are interested in.

### **Portfolio2Gallery**

Understanding Portfolio Variance Portfolio variance looks at the or for the securities in a portfolio.

### **Yahoo is now a part of Verizon Media**

As soon as a user gets into your site, the first thing they see is your projects and details.

### **Portfolio**

To match the minimal design of this template, line icons are used.
