## The Convention on the Rights of the Child

Where, despite prohibition and positive and training programmes, cases come to light outside the - in schools, other and forms of , for example - prosecution may be a reasonable response. In rejecting any justification of violence and humiliation as forms of for , the Committee is not in any sense rejecting the positive concept of discipline. This provides a set of principles for constructive discipline, rooted in the Convention.

## Human Rights Report

The Committee recognizes that parenting and caring for , especially babies and young , demand frequent physical actions and interventions to protect them.

## Third and Fourth Combined Periodic Report for CRC under preparation by the Government

Under the assignment, New Concept has been providing technical, executive, facilitation and documentation support to the MWCD for preparation of these three reports. The Committee notes that there are now many examples of materials and programmes promoting positive, non-violent forms of parenting and , addressed to , other carers and teachers and developed by Governments, United Nations agencies, NGOs and others. Legislative measures 30 - 37 8 2.

## Child Rights

It also includes Internet references to materials and programmes available worldwide. The Committee also underlines in general comment No.

## CHILD RIGHTS CONVENTION

Human rights standards and corporal of 16. In the view of the Committee, is invariably degrading
