## How to Avoid Plagiarism in Journalism

Juniors and seniors who plagiarize any significant portion of a paper should expect at least a suspension for a spring or fall semester. Is it moral, in your opinion, to develop or improve someone else's ideas, sometimes without even asking permission from the author himself? Penalties range from loss of time by having to redo an assignment to failing a course.

## How serious is essay plagiarism?

When it comes to language, familiarity breeds feelings of ownership. Any sources that you cite in your paper will be beams that support the roof. For that you might need to use different sources to study alternative points of view, to focus on a different detail than before or generally study the subject in more details , to analyze the concept deeper, to write about the subject from a different viewpoint or to seek and focus on different arguments.
