If you look at the underside, it is a tangled mess of threads and knots. What a spiritual journey serving poor folks who work hard to make it and teach me how to live gently and listen with no judgement at all. The daily meditations that come on my computer are always inspirational to me and give me constant guidance.

Jen's Journey: Relay for Life follow

Sitting in the labs, with friends, by myself, so many different places, but each time with deep emotion.

Free Online Journal & Diary

I'm still friends with two people from that class, and close friends with a third.
