Dyed synonyms, dyed antonyms

It is the simplest, plainest, and most direct word for this idea, and is used figuratively of anything that has once displayed activity: An echo, flame, storm, rumor dies.

Die

Two other red dyes were obtained from. These are in the family, a group of compounds occurring almost exclusively in higher plants and producing the colours of many flowers.

dye

Since we began using DynEd courseware in our programs, many of our students have shown a clear acceleration in their learning curve. Perish, a more literary term, implies death under harsh circumstances such as hunger, cold, neglect, etc. A warning message is given if the player attempts to use dye on eligible equipment.

Die

Hair, may be trimmed, but not dyed, 286. .

Topical Bible: Dyed

Cotton yarns are mostly dyed at package form, and acrylic or wool yarn are dyed at hank form. Countless attempts have been made to extract dyes from brightly coloured plants and flowers; yet only a dozen or so natural dyes found widespread use.

Dyed

Which ephod is also rightly ordered to be made of gold, blue, purple, twice dyed scarlet, and flue twined linen Exodus 28:8 , that it may be shewn by how. I recommend it highly as a real advantage in language teaching. Lower-quality jadeite specimens are often treated with acid bleaching,

polymer impregnation, and dyes to obtain this sought-after hue E.
