It seems to be the starting point from which they began. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. Knowing who we are is the key to success, happiness and the ability to move forward.

CONCERNING INNER LIFE By Evelyn Underhill

It may sound obvious but when you see it, it's pretty overwhelming. Author: Martha Elias Downey Publisher: ISBN: OCLC:896966815 Category: Page: 115 View: 116 Evelyn Underhill 1875-1941 , best known for her book, *Mysticism*, was instrumental in popularizing this same topic in her time. My host was puzzled since, though he spoke excellent English, he had clearly never heard of Evelyn Underhill and was anxious to explain all kinds of practical things like the layout of the community buildings, and to show me where I would be staying.
