In fact, half a decade passed between the release of the film that gave Stenberg her breakthrough role and the release of her next major project, Everything, Everything. Stella Meghie is a bright spot among these harsh statistics, working on this film and also developing future projects for television. Black men also need to prepare for this time of freedom by ensuring that women and men are fully prepared and able to partake in its fruits.

Amandla: A Novel

Hello Stranger, Just a short note to say once again how much we appreciate all of the support on our current Niobe Kickstarter campaign. Stenberg may not be getting a formal education on set, but that doesn't mean it's not a good one that will thoroughly prepare her for making her own films one day. The audience is out there in abundance.

A First Look at Niobe: She Is Death, Amandla Stenberg and Sebastian A. Jones's Representation in Comics

We view solidarity with decolonization, indigenous, anti-imperialist, environmentalist, socialist, and anarchist movements across the world as necessary steps toward meaningful liberation for all people. Stenberg holds American citizenship and belongs to African-American ethnicity.
