Mistici e maghi del Tibet

If in a PCE subjects were empty of all experiential content, they could not claim to have had acquaintance of anything Bagger, 1999, 102—3.

Mistici e maghi del Tibet

In reply to this objection, straight away we can discount experiences of polytheistic gods because of their being embedded in bizarre, fantastic settings, and because of the relative paucity of reports of actual experiences of such beings.

Mystic Fighters

The nobler the end towards which they strive, and the more divine the motive which actuates this collaboration, the higher, no doubt, will be the union.

Paul Mistici

Shall we say they all exist? To the members He is present and assists them in proportion to their various duties and offices, and the greater or less degree of spiritual health which they enjoy.
