Citation

The author, a protégé of the late V.

Истоки модернизации Казахстана : проблема седентаризации в российской политике XVIII

For these, Bykov relies heavily on a-historical folklore sources rather than on records of actual practice and decision-making. The author provides valuable critical insights into views and actions of Russian policymakers and administrators e. Those scholars who seek a deeper understanding of the process by which sedentarisation and imperial integration actually impacted the nomadic inhabitants of the steppe will need to look elsewhere.

L. A. Smirnova, Problemy Realizma V Russkoi Proze Nachala Xx Veka

. Much of the focus of the book is on institutions and policies of the state regarding land use and economic development of the land. Istoki modernizatsii sii Kazakhstana : Problema sedentarizatsii sii v Rossiisko Politeke XVIII-Nachala XX Veka.

Agrarnye otnosheniia u narodov Severnogo Kavkaza v rossiiskoi politike XVIII

His intellectual embrace of modernisation theory restricts his vision of how steppe nomadic political culture and economy and all of its elements might have operated and changed.

Истоки модернизации Казахстана : проблема седентаризации в российской политике XVIII

This book is important for its intelligent critique of Russian policies as they evolved over 150 years, and should be read carefully by any serious scholar of Kazakh steppe history. To verify accuracy, check the appropriate style guide.
