He became rich and had all the pleasures of life. One should do Sri Satya Narayana Swami Katha with a Brahmin along with his family for dissolving all sorrows and sufferings.

### Prasangika

With the blessings of the Lord, the Brahmin received a lot of money on that day. Kalawati heard the voice and ran home to eat the Prasad.

### Satya

He loaded the bundle of wood on to his head and went roaming in Sunder Nagar selling the woods. As Lord Satya Narayan is an embodiment of truth, one needs to keep the promise given to the Lord and perform the puja to hail the great Lord Satya Narayan once the desires or wishes get fulfilled by his grace.
