## NMSU College of Education

It was awesome and brainstorm and ALL kinds of others! Fall enrollment rose from 92,976 in 2017-18 to 93,029 students this year. Comprehensive, engaging and certainly relevant.

## Smart Start

As educators, we know that student learning must continue in the face of hardship. These two generations have grown up with advanced technology as a given in their homes and classrooms.

## Education

Bernadette has over 20 years of experience as a professional development specialist in parent education.

To help guide you through the framework, and to strategize implementation, DEED has developed a seven-week series of workshops and expert panel discussions.

**DESCRIPTION:** The 21st Century Community Learning Centers Program is authorized under Title IV, Part B, of the Elementary and Secondary Education Act, as amended by the No Child Left Behind Act of 2001. The course can be taken in full or in separate sessions, and you can join the course any time, as each session is a stand-alone module not dependent on the previous material. This webinar shows how citizen science fits into out-of-school time learning, how to select citizen science activities for your students and your program, and how to prepare for a citizen science project.
