Later, President Karzai extended amnesty to top Taliban leader's, including 2nd in command Mullah Mohammad Omar. Huntington began his thinking by surveying the diverse theories about the nature of global politics in the post-Cold War period.

Cold War

According to Huntington, the West is distinguished from Orthodox Christian countries by its experience of the , , the ; by overseas rather than contiguous expansion and colonialism; and by the infusion of culture through rather than through the continuous trajectory of the. France plays an active role in the implementation of regional stabilisation instruments, such as the CFE Treaty, the Open Skies Treaty on confidence-building and security measures, and the Dayton Accords. The main catalyst was the conviction that small states could no longer maintain balanced and modern military forces on a purely national basis.
