**Shades of grey: following the controversy unleashed by the appearance of BNP leader Nick Griffin on BBC's Question Time, Gavin Schaffer explores the long**

These tribes are just as distinct politically, culturally, and linguistically as are the American Indian tribes in the lower 48 states.

**Rampton Report (1981)**

. Most Federal programs do not require membership in federally recognized tribes for program eligibility. I do not for one moment question his right to state his views.

**Racism in education: have we learned nothing?**

For example, everyone is expected to take off their shoes at the door before stepping inside an Indian Muslim house, and new homes are often blessed in a special ceremony.

**The Metropolitan Police: alienation, culture, and relations with London's Caribbean Community (1950)**

And there are other speakers who have argued that some members of our community are unalterably alien because their skins happen to be darker than the majority.

**RACISM IN EDUCATION**

It is a factor for the better that it seems—I say this from my own observation—that younger people, on the whole, are freer from prejudice than many of the older generation, and this should be an increasing advantage in the future. This percentage had increased to 9 percent in 1994 63,000.

## **Building an urban future: Race and planning in London**

It was going on for weeks before, and I exposed it in this House. I give these figures because they are facts, despite my firm agreement with the noble Lord, Lord Campbell of Eskane, in deplored the fact that people will confuse race with immigration, and vice versa.
