## Cultural Tourism

As early as in 2008, the FSK in collaboration with the Slovenian Ethnographic Museum, ZRC SAZU and the Russian Ethnographic Museum of St. A few other local practices also form part of a larger spring celebration, such as purification actions in Moldova.

## Culture of Bulgaria

The FSK Honorary Ambassadors are individuals who are appointed because of their valuable contribution to the establishment and operation of the Foundation. The project aims to contribute to raising awareness both among the Bulgarian population and among foreign guests with activities for promotion of the rich intangible cultural heritage of Bulgaria.

## Educational Exchanges between China and Countries in America and Oceania

In the direction of promoting the diversity of cultural stage product and develop new audiences the Ministry of Culture held competitive sessions and sessions targeted programme to support festivals in the field of theatre, music and dance. The project was funded by the European Union under the European Fisheries Fund. Thus, the community centres are an expression of cultural and ethnic identity of the people who establish them.

## Bulgaria

Tito has shown himself more flexible than you — possibly because he lives in a multiethnic state and has had to give equal rights to the various peoples. Promotion of the activities by publications in mass media and relevant materials; A closing conference at the National Palace of Culture, Sofia. Considering that the Program is being developed in times of crisis, the place culture has found in it is indicative of the potential of this field among the general measures for influencing the welfare of people.

## Culture of Bulgaria

Average was one of the lowest in the Eastern Bloc, mostly due to the larger availability of commodities than in other socialist countries. Currently it

is the largest data provider with more than 53,880 entries in the database of Europeana and at the same time acts as an aggregator for other regional libraries that actively digitize their valuable collections.

### **Cultural relations, exchanges for 1983**

. Bulgarian communities have a recognized status of national minorities in eight countries. Special protection is provided to traditional forms of cultural expression, including language diversity, as an important condition for the exchange of ideas and values between people and communities Cultural Development Act, Cultural Heritage Act.

### **Educational Exchanges between China and Countries in America and Oceania**

Among the main objectives of the institute are to participate in creating a positive image of contemporary Bulgaria with rich cultural heritage and dynamic modern culture, which contributes to the processes of intercultural dialogue and international cultural cooperation. The Foundation works with the National Commission for UNESCO - Bulgaria and the Regional Centre for the Safeguarding of Intangible Cultural Heritage under the auspices of UNESCO. The American and Oceanian area is endowed with a large number of first-class education resources.
