Music and Emotions

I prefer to turn that around: a thing has

meaning only after we have learned some ways to represent and process what it means, or to understand its parts and how they are put together.

Emotion and Meaning in Music, Meyer

Music comes with a key signature, with meter, with melody, harmony and all that. That in mind, I'm hoping Kivy will be interested in discussing what it is that makes music peculiarly worth pursuing. It might seem surprising that music can help people cope with physical pain, but research has shown a clear link.

Emotion and meaning in music : Meyer, Leonard B : Free Download, Borrow, and Streaming : Internet Archive

Visual signs, I have argued, have culturally evolved to look like natural objects, and have the kinds of contour combinations found in a three-dimensional world of opaque objects. An earlier published version appeared in Music, Mind, and Brain: The Neuropsychology of Music Manfred Clynes, ed. Sentic signals if they exist would be quite useful in helping infants to learn about themselves and others.

Emotional Meaning

All this begs this question: If we like new tunes that are similar to those we already like, where does our liking for music start? An intimate conversation with God about recognition of wrongdoing and atonement.
