Israel

However, Party leader , opposition leader , and former chief voiced some measure of support for the agreement and suggested that it was more important to maintain good ties to Washington than to publicly rebuke the agreement. Rather than apologize for the remark, Sharon said that the United States failed to understand him. The Israeli newspaper Haaretz reported that the US was the only member of out the 15-nation UN body to oppose any council action at all.

Maps

These findings support the view that support for Israel in the US is. Israeli newspaper reported in 2019 that,

throughout the spring and summer of 1963, the leaders of the United States and Israel — President and Prime Ministers and — were engaged in a high-stakes battle of wills over Israel's nuclear program .
