Riding Logic, by Wilhelm Museler

This book is an excellent book, and explains collection in clear terms. The first section of the book is devoted to perfecting the rider's seat, hands, balance, and use of the back. Зато пошагово и с картинками рассказывает обо всех аспектах для начинающего всадника.

Saint Charles Horseback Riding Lessons by Horse Logic

It is the only book that I have read that explains the kinesthetics of riding and explains why certain actions cause a result. This is the best primer for riding that I have read.

Commercial Ride

Riding Logic

Forward is the answer to most everything, listening of the rider to the horse and the horse to the rider is the basic premise. Skipping the basics and not paying attention to the groundwork is never a good idea in any sport.

Riding Logic: Transform Riding Skills to Art on Horseback with Classical Lessons in Flatwork and Jumping by Wilhelm Müseler

It is a dry read but that is fine considering the material, I dont need to be entertained, I need to be educated. He provides lessons for improving suppleness, introductory exercises on the trail and over fences, and corrective work for various behavioral or training problems.

Riding Logic: Transform Riding Skills to Art on Horseback with Classical Lessons in Flatwork and Jumping by Wilhelm Müseler

If you have ever wondered about performing half-halts, collection, or lateral work, or wondered about curing rearing, bucking, or shying, or

wondered about the right way to work a green horse, a ruined horse, or a well-trained horse, this book is for you. We have partnered with Glassboxx to bring you your favorite horse books in digital and audio formats, easily and securely.

Saint Charles Horseback Riding Lessons by Horse Logic

It is well written, it assumes that you are not a rank beginner and some of it is plain old common sense, but it is great. Its first English edition was in 1983.

Riding Logic book by Wilhelm Müseler

Müseler explains why the rider, from the very first lesson, must concurrently master the three interdependent aspects of rider training seat, feeling, and influence in order to become an equestrian of the highest caliber.
