## Norman Lewis, from the Harlem Renaissance to Abstraction: May 7, 1989

His provocative handling of color and innovative use of media attracted the attention of the New York avant-garde. His total engagement with abstract expressionism was due partially to his disillusionment with America after his wartime experiences in World War II.

## Artists (K

He organized exhibitions and projects for black artists, and worked with as Art Director of the BARTS in Harlem

## Guide to the The Exit Art Archive 1982

Within twelve years after her first class at American, she began creating Color Field paintings, inspired by the work of the and.
