Learning to see creatively : Peterson, Bryan, 1952

Everything from light, composition, and texture to postprocessing, and marketing images is covered.

Learning to See Creatively: Design,... book by Bryan Peterson

Now totally rewritten, revised, and expanded, this best-selling guide takes a radical approach to creativity.

Learning to See Creatively, Third Edition by Bryan Peterson: 9781607748274

While reading this I realized there were a few exercises and viewpoints that had slipped my mind on creativity over the last few years. For someone completely new to photography and composition, the second and third chapters would be the most valuable.

Learning to See Creatively: Design,... book by Bryan Peterson

Bryan Peterson takes on this task. For me this one is a keeper. About Bryan Peterson Bryan Peterson is a professional photographer, an internationally known instructor, and the bestselling author of Understanding Exposure, Understanding Shutter Speed, Learning to See Creatively, Understanding Digital Photography, and Beyond Portraiture.

Learning to See Creatively, Third Edition by Bryan Peterson: 9781607748274

Everything from light, composition, and texture to postprocessing, and marketing images is covered. This revised edition features the latest information on digital photography and digital imaging software, as well as an all-new section on color as a design element.

Learning to See Creatively, Third Edition: Design, Color, and Composition in Photography

If you are a beginner then this is a must read book.

Learning to See Creatively: Design, Color & Composition in Photography by Bryan Peterson

Within those categories, the topics of line, shape, form, texture, pattern color, filling the frame, horizontal vs. He details the basic techniques that went into not only taking a particular photo, but also provides insights on how to improve upon it--helping readers avoid the visual pitfalls and technical dead ends that can lead to dull, uninventive photographs. The world has opened up and my photographs have definitely improved.
