The Reminiscences of Charlotte Lady Wake by Wake, Lucy

I have known your pious Aunt Caroline to send you there to get your catechism.

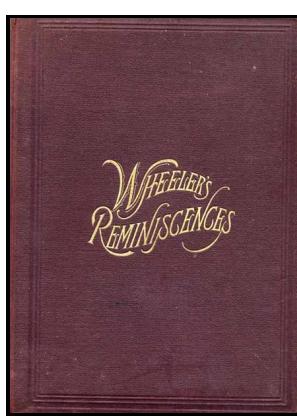

The Florida Audubon Society, 1900

Maintaining a home was a full-time occupation in early nineteenth-century America, and Emma, without any hired help, fulfilled this necessary role for Joseph and herself, as well as at times for Martin Harris and Oliver Cowdery. A Dad's NICU Journey

There was no kind husband near to cheer and comfort me at this trying time, and my chief anxiety was about my babe, for if I should be taken away, who would there be to care for him. Totem and taboo: resemblances between the psychic lives of savages and neurotics. At dark my work was laid aside.
