Christianity

The effectiveness of prayer in Christianity derives from the power of God rather than the status of the one praying. We were admonished that we must only consider as facts those matters admitted into evidence in court. NGOs must also agree to refrain from proselytizing or otherwise promoting any religion other than Islam.

Economic and social research : a statement prepared by a commission authorized by the seventh General Council and appointed by the Board of Evangelism and Social Service and the eighth General Council report on The Church and the economic order.

However, in order to be passed, this amendment requires approval from three-quarters of all members of the GCE.
