## What Is A Padparadscha Sapphire?

Padparadscha itself is a delicate light to medium toned pink-orange to orange-pink hue, named from the Sinhalese for 'lotus blossom'.

## Padchhaya (1965)

Rutile has not yet achieved this and has only managed to keep them awake and active for short amounts of time.

## Padchhaya (1965)

There are some hints that they know more than they let on.

## Padparadscha

When one is found it is considered exceptional and extremely rare.

## Padmanabha Acharya

Padpa also notes Phos's arms as a metal alloy and how they're alike in that sense and that Phos had it rough. He completed his matriculation from Christian High School,. Rutile approaches them both and asks Phos if they got to ask what they wanted, but Phos just says that they spoke about the weather.

## About Padmacahaya

Being So Rare... With the Padparadscha Sapphire being extremely rare, they often times have asymmetrical cuts. They also wear standard black shoes and gray thigh-highs, which are very loose on the right leg. Their inactive body is taken to by Phosphophyllite in the hopes that they could be repaired.
