Flying Fury: Five Years in the Royal Flying Corps, McCudden, Jame

If patience and perseverance would meet their just reward I certainly should have got many more Huns than I did, for I was up at every opportunity studying the two-seater's habits, his characteristics, and his different types of machines and methods of working. Hence, what we have are McCudden's raw and unpolished memories written a few months before his fatal crash. This is one of the essential books to read if you have an interest in WWI aviation and the lives of the brave pilots who flew while air fighting was in its infancy.

James McCudden

It is rare that one finds a contemporaneous account of so marked an event as the foundation years of a great organisation in this case, the Royal Flying Corps RFC - the forerunner of the RAF.

Flying Fury: Five Years in the Royal Flying Corps, McCudden, Jame

He returned to France, posted to No. He went to France on the outbreak of war and served as ground crew before coming an Observer and then training as a pilot. Another time, he tramped several miles through the cold and the wet and the mud, in an effort to get to one of his victims, but as he approached the area, the German shellfire was too intense, and he was forced to return without having gotten near his trophy.
