Suffragette

Arrested in 1917 and sentenced to seven months in jail, Paul organized a hunger strike in prison; media coverage of her treatment earned sympathy for the suffragist cause. Wells, who advocated for federal laws against lynching; and Mary Church Terrell, who established the National Association of Colored Women.

Women's Suffrage

In 1949, the right to vote in federal elections was extended to all indigenous people who had served in the armed forces, or were enrolled to vote in state elections Queensland, Western Australia, and the Northern Territory still excluded indigenous women from voting rights. The resolution for ratification passed relatively easily in the Tennessee Senate, but the House was bitterly divided.

2020 Presidential Gender Gap Poll Tracker

When multi-party elections began in the 1940s, the share of women in the legislature fell, and the 4% share of parliamentary seats gained in 1935 was not reached again until 1999. The group supported women's political and social rights, and believed it was necessary to involve and inform women about these issues to ensure their personal development. While the resolution passed easily in the Tennessee Senate, the House was bitterly divided.

Suffragette

Women voters in Tahakopa, New Zealand, after the country became the first to grant women's suffrage, 1893. Women's Suffrage in New Zealand. In 1903 a number of members of the NUWSS broke away and, led by, formed the WSPU.
