## History of Christianity

Following Gratian's death, Maximus had to deal with Valentinian II, at the time only twelve years old, as the senior augustus. No discussion of Shih Huang Ti would be complete without mention of his brilliant and celebrated chief minister, Li Ssu. Parisian is a book historian and bibliographer whose research has focused on a range of subjects including the first White House library, Frances Burney, Alice in Wonderland, and eighteenth-century book trade ledgers.

## Library of Leonard and Virginia Woolf

So a global history ought to be global and trans-national in its selection of topics—even while recognizing the fact that all historical research is selective. Click the link for more information.

## HISTORY Vault: Rome: Rise and Fall

Wallace had developed his theory completely independently and had sent his manuscript to Darwin in order to obtain the opinion and comments of an established scientist before publishing it.
