## Wharf Street Revisited a History of the Wharf Street Area of Leicester

Farther to the south, up the road to London, the new streets were also beginning to appear: Northampton Street, Conduit Street, and Prebend Street were already partly built in 1828 and two other streets, then both marked as 'Occupation Road', were laid out. Margaret's and of Knighton chapel. The parish contains many more factories.

### What is oral history?

By the building had become the Gladstone Hall Ragged Mission, on a seven year lease. Lower Brown Street - No. In 1918 the parish of ST.

## Wharf Street Revisited a History of the Wharf Street Area of Leicester

The field was divided into three parts, or separate fields, upon which rotation of crops presumably took place. The precise date at which the abbey acquired it is unknown, but it seems probable that it was in 1143, at which time the Bishop of Lincoln's lands outside the East Gate as well as at Knighton had been granted to the founder of the abbey.

### What is oral history?

John's Hospital and the Spital Hill, also known as the Cock Muck Hill.
