## Ferdinand de LESSEPS : Family Tree

More than other people, the Lunarian is attached to those moments during which one forgets one's worries and lets oneself cast adrift aimlessly, with no other goal than to be lulled into an ambiance, a situation, or a perfect moment. With regard to the works connected with the excavation of the Canal of Suez, they are not to be commenced until after they are authorized by the Sublime Porte. Farther, if the contributions of the rivers reckoned for anything in the deposits which are made in this locality, clayey or gravelly stratifications would be seen on their banks at the parts where the tide is least felt.
