## The Management Myth

I think this is valuable for both new and experienced managers. The material of any given story naturally undergoes several changes and during this process. They present a difficulty, however.

## Telling Tales

The world of management theorists remains exempt from accountability.

## 3 Leadership Stories to Help You be a Better Manager

Unfortunately, the value had its climax mid-way in the book, and the latter half was far too myopic in perspective for me to feel like it was useful business advice that would apply anywhere in the world, for anyone, of any age, in any industry.
