## Natanael Berg

Notable among proponents of this method of teaching was Muhiddin Targan 1892—1967. Melodies may be broadly classified in four ways: formulaic recitative with a narrow pitch range, common in ritual, ceremonial and epic genres; declamatory recitative with a non-strophic structure, used for durny; rospivnoprotyazhnii melodies with two- or three-line stanzas AB, AAB, ABB , followed by a modified reprise, typical of domestic and social texts; and melodies based on dance rhythms characteristic of games, epigrammatic refrains and short and cyclical instrumental forms.

## Symphony No. 1 in E

On 16 December 1449 he was appointed a papal secretary, a position he retained to the end of his life. Large cycles of songs in rhymed syllabic verse about national heroes, such as Morozenko, Nechaye and Khmel'nitsky, have survived in manuscripts dating from the 19th and 20th centuries. In 1853 he was elected a member of the Swedish Royal Academy of Music.
