The composition is crowded with about 500 highly-detailed figures, and it was done with the help of Domenico, his son. The text discusses his life and times, the stylistic features of his work, detailed comparison of his draughtsmanship with that of Michelangelo, his colour with his master, Titian.

Helena in the Holy Land was attributed to Andrea Schiavone until 2012.

Tintoretto, the Last Great Italian Renaissance Artist

Tintoretto acted slickly and sent a full painting, not only a sketch, as a gift to the order. He spent more than 20 years from 1564 until circa 1588 at the Scuola to complete this magnificent oeuvre. Three times the executioner attempted to levy the punishment, and each time the tools have broken before the slave could be harmed.

But the love of solitude to which his biographer did not prevent the painter from forming friendships with several artistic personalities. Despite some of the initial criticism Tintoretto received for the speed at which he worked, made obvious from the loose and gestural brushwork, this painting had

a profound impact on Tintoretto's career.

He did not, however, interrupt his artistic experiments. Although the subject of Saint George and the dragon appears in earlier Venetian paintings, it is most common in relief carvings in stone, many of which, mostly dating from the fifteenth and early sixteenth centuries, may still be seen in the city. So, although the artist completed a preparatory large-scale version of the composition, he was unable to complete the final version at full scale.

I love you madly, MARKUS received his formal art training at the Rhode Island School of Design, Cleveland Institute of Art, and Tyler School of Art in Philadelphia. The emigration of Roman artists to Venice in 1527 after the sack of Rome by imperial troops, as well as subsequent contacts with painters from Tuscany and Bologna, induced the painters of the Venetian school to return to greater plasticism, without altering the fundamental chromatic nature of the Venetian tradition. I had been in Venice in 1987, and my recollection of the place was more of an architectural wonder with the incredible spaces, vistas, canals, little bridges, ornate facades, etc.
