Bristol student accommodation at Brunel House

During the 1930s, Tunnel Quarry was renovated by the as one of the three major stockpiles. The Museum is open Saturdays and Sundays, 11am to 5pm This is the local story of an engineering family that changed the world.

Brunel's SS Great Britain (Bristol)

The height of the opening is far in excess of what was required and indeed reduces once inside , but it gives the feel of a generous celebratory monument to a new form of travel. The great 'Atmospheric Caper' was over. You can visit the ship deck, through the ships decks and even underneath the ship itself, to get a good understanding of its history and construction.

Some Photos of Brunel's Temple Meads Station in Bristol

The Victorians invented the modern British Christmas. You'll also have the chance to eavesdrop on conversations from almost 160 years ago.

Welcome to our Academy

The first study space is on the 4th floor in A Block. Worth reading if you became interested in Temple Meads railway station.

Bristol student accommodation at Brunel House

Brunel's Apprentice Free with admission, younger visitors will be given a satchel which they can take with them around the dockyard and Ship, solving problems and enjoying exciting activities whilst learning about the many skills that make a great engineer.
