Individual F has coverage under Group Health Plan Y from January 3, 1997, through March 25, 1997.

## Internal Revenue Bulletin: 2008

As noted above, the HIPAA statute generally requires plans and issuers to provide certifications of prior coverage to individuals leaving coverage.

## Bill Search and Legislative Information

Certainly a yearly match would be too infrequent and allow excess benefits to continue too long.

## Bill Search and Legislative Information

When coverage was previously declined, the employee or dependent must have been covered under another group health plan or must have had other health insurance coverage. Many commenters noted that the proposed regulations applied to donations to organizations fulfilling both private and public purposes and applied to tax credit programs created both before and after the enactment of the Act. The potential size of affected sub populations is explored later in the preamble.
