## Dental Implant Nursing

It should be explained to the patient that just as natural teeth can get gingivitis and periodontitis, the dental implant can get peri-implant mucositis inflammation of the gingiva with no bone loss or peri-implantitis inflammation of the gingiva with bone loss. Details of fees payable are available on the NEBDN website.

## Implant dental nursing course

This is vitally important today especially as all those involved in the delivery of care for patients are responsible and are as much at risk medico-legally as the clinician.

## Dental Implant Nursing

Written by Emma Edwards RDN NEBDN National Certificate in Dental Nursing, NEBDN Dental Sedation Nursing, NEBDN Oral Health Education, NEBDN Dental Radiography, Kings Certificate in Implant Nursing, Level 5 Diploma in Leadership and Management, Level 3 Award in Education and Training.

## Implant Nursing

Surgical Placement of Dental Implants The role of an implant nurse during an implant placement procedure can be divided into different parts.
