**Learning languages: The adventure of a lifetime.**

It took a year, but with tapes, a book, and a weekly tutor, he made enough progress to conduct business in Beijing. Then, shortly after, go do something that you are afraid of.

**Learning a New Language Can Open New Doors as an Entrepreneur**

. I'm terrible at letting go, but I'm learning that it's so necessary.

**Get a lifetime of foreign language learning for \$45**

I imagine that if you are reading this, you really want to improve your English skills.

**Why is Learning a Foreign Language So Important?**

It makes life easier and more expansive, and it could also keep your brain fit. When you slay your dragons, you are rewarded with a new level of confidence, power, and courage.

**Learning a Foreign Language: a Journey of Discovery**

The department, in the College of Liberal Arts, offers 10 languages: Korean, Chinese, Japanese, Greek, Latin, Russian, Italian, French, German and Spanish.

**French Language Learning Videos for Kids**

They already know one language and sometimes more than one quite well and have practiced with the linguistic capacities that speed language acquisition. Yes, it was predictable and cheesy, but what else would you really expect? It's not like they were going to go straight into hard

grammar from the first day of class.

### **French Language Learning Videos for Kids**

If you have enjoyed hearing how my language learning journey started, follow along as I share my experiences learning Portuguese while teaching English in Brazil next week.
