RELIGION AND THE JEWS 26.

Irving Kristol Quotes (Author of Neoconservatism)

Or possibly a little like a right-wing version of the lunchroom arguments at the City College of New York when he was a youthful Trotskyist? Kristol seems fully aware of all this. He complains that it increasingly resembles conventional Republican Administrations since the New Deal, despite the promise of something different and more dynamic aroused by Reagan's 1980 campaign.

Olin Distinguished Fellow from 1988 to 1999. These critics were never, in their lifetime, either popular or persuasive. Some moderate creases and wear.

Bibliography

There is an important difference between Judaism and Christianity. The point at the moment is that Senator Moynihan has been called a neoconservative on the Democratic side almost as often as Professor Kristol on the Republican side.
