## La Expedición Malaspina, 1789

In addition to the expedition's work with the Nootkas, astronomical observations were made to fix the location of Nootka Sound and calibrate the expedition's chronometers. The gaining of the Nootka chief trust was particularly significant, as he was one of the most powerful chiefs of the region and had been very wary of the Spanish when Malaspina arrived.

## Lot 15

Although released in 1803, Malaspina spent the last seven years of his life in obscure retirement in Italy.

## Malaspina Expedition

It is not permitted to upload this file to Facebook. A book that does not look new and has been read but is in excellent condition.

## Alessandro Malaspina

May be very minimal identifying marks on the inside cover.

## Malaspina Expedition

Botanical studies were carried out, including an attempt to make a type of beer out of conifer needles that was hoped to have anti-scorbutic properties for combating.

## The Malaspina Expedition 1789

After retiring from the IMO in 1809 his life-long interest in naval history became a full-time pursuit. Five sailors came down with symptoms, one seriously. The ships were to have been commanded by two pilots of San Blas, Mexico, but Malaspina arranged for his own officers to replace them.

### **File:Rutas de la expedición Malaspina (1789)**

During the five years of this expedition Malaspina fixed the measurements of America's western coast with a precision never before achieved. La siguiente escala fue la colonia británica de , desde donde volvieron al puerto de El Callao, tocando en la isla de , y desde allí, por el , volviendo a fondear en las islas.
