## Corpus Derelecti: of Mannequin Murders and True Crime Clichés

Makeup Mannequin Not all mannequins come with hair. Clothes on racks, mirrors, decorative plants, model photos on the wall. We pull back to see that JOAN is admiring the photos.

## 16 Weirdest Phobias

Leads may have been scarce but mannequins were not—for nearly a year, usually midmonth when Dolly had been slain, the ghoulish spectacles materialized in Elkridge and the surrounding towns.

### Sanitation worker who found influencer Alexis Sharkey's body initially thought it was 'a mannequin'

I could see other mannequins around me.

## #1 Guide to Visual Merchandising and Window Display Design

As he does so a green flash appears in the lens.
