League of Nations, United Nations

For a young member of the staff, who did not have any military authority on the army group level, the practical possibilities for resistance were very limited and with a high probability would not have led to any actual results. At Yalta it was agreed that the Soviet Union would have three votes one each for Russia, Ukraine, and Byelorussia in the U.

Waldheim, Kurt

In style, he prefers quiet diplomacy and sees himself as a bridge-builder, aiming to give voice to the world's poorest and most vulnerable people, and to strengthen the UN itself, which was dented when he took office by scandals over the UN oil-for-food programme in Iraq, and corrupt procurement. It now made sense that the Soviet Union, at Yalta, was given control over all of The emblem of the SSR Eastern Europe.

refusal to serve any longer in the army, which would have seemed to be a courageous act, however would have not led to any practical achievement.

List of Secretary

On 27 April 1987, the United States Department of Justice and the United States Department of State announced that evidence amassed in an investigation conducted by the Justice Department's Office of Special Investigations OSI had established a *prima facie* case that Waldheim participated in Nazi-sponsored persecution during World War II and therefore that his entry into the United States was prohibited by federal statute.
