Introduction to the American Criminal Justice System

Clarity rating: 5 I found the writing to be inviting and accessible and think my students at the community college level would agree. As an undergraduate level instructor in the field, who has read many similar textbooks, this one seems casual in its prose and explanations.

INTRODUCTION TO CRIMINAL JUSTICE

A Seattle native, he received a BA, double majoring in psychology and law and justice, from Central Washington University in 1994. Overall, the authors used simplistic language suitable for an introductory course in Criminal Justice. I find the style of the writing interesting for a textbook, as the authors refer to themselves in parts of the text.

Introduction to Criminal Justice

Although there is no index, considering this book is online a simple navigation of tabs - students can easily find what they are looking for. There were also a few images that appeared distorted.

Introduction to the American Criminal Justice System

After graduating, she lived in Southern Austria until 1984. Lastly, in Chapter 10—Juvenile Justice and particularly 10. Clarity rating: 3 The clarity issue in this textbook has more to do with the presentation of materials, such as p.
