imported used vehicles including motorcycles should be sent to: NZ Transport Agency Vehicle Standards Operational Standards and Guidelines Private Bag 6995 Wellington 6141 Email: Fax: 04 894 5011 Parallel-imported light new vehicles and new light vehicles presented by the New Zealand distributor without an LT4085N A new light vehicle is required to have a pre-delivery inspection PDI before it can be certified for entry into service. It also concerned itself with developments close to state highways, as it considered the potential additional traffic that these would create, and it was responsible for state highway landscaping.

Electric Vehicles Programme

Include in the referral, photos of all identifiers and manufacturers data plates, and a photo of the entire vehicle. The entry certifier must advise the Transport Agency Vehicle Standards team immediately by telephone — please refer to the details in , and attach suitable notes to the vehicle record using the notes screen. Penalties for possessing, using, or trafficking in illegal drugs in New Zealand are severe, and convicted offenders can expect long jail sentences and heavy fines.

The New Zealand Rail Plan

It has district by district profiles covering general sales information, population and local weather.

a vehicle for the first time in New Zealand

Always carry identification and let someone else know where you are at all times. However, most costs of injuries from accidents are covered by our accident compensation scheme, called ACC.

Land Transport (Driver Licensing) Rule 1999 (SR 1999/100) (as at 18 December 2020)

Clause 85A 7 : amended, on 1 August 2008, by of the Land Transport Management Amendment Act 2008 2008 No 47. Most home and land sales are completed using a real estate agent. There are also accessible sleeper cabins onboard.
