### **The Magicians Tale**

Magic consultant for Harry Potter and the Prisoner of Azkaban, Paul Kieve tells the stories of some of the greatest magicians in history with step-by-step illustrated guides to reproducing their most famous tricks.

## **Hocus Pocus: A Tale of Magnificent Magicians and Their Amazing Feats**

Paul has created a fresh classic at the start of the 21st century. Still, I bought the book for research on these characters, and it was helpful.

## **Hocus Pocus : A Tale of Magnificent Magicians and Their Amazing Feats**

It's a story about an aspiring magician getting to meet famous magicians in history. May have overstock mark on spine. End delivery is always US Postal Service.

## **Hocus Pocus: A Tale of Magnificent Magicians by Paul Kieve**

The biographies of the magicians and their magic tricks are woven together with the story of the young Kieve. I read this book in 2012 and can't remember the name. The book, although written for a pre-teen audience, is packed with intimate factual information about the great magicians from

magic's golden age, 1890 - 1930.
