As we walked together on our way home she told me that her father was accidentally killed while trying to save the life of another, and since that time the support of the family has devolved on her mother, who is trying to keep the children at school as long as possible, so that they may not suffer from the want of education when they get older. Paper binding, 30 cents; cloth, 50 cents.

Eleventh child steps forward and speaks. I could see that she was hurt and grieved by your conduct last Sabbath in so pointedly avoiding her ; and now I candidly ask you, girls, are you not sorry for your conduct, and will you not try with me to make our new classmate feel at home among us? And we grope in the darkness and vainly try To hear His feet as He passes by.
