And just as the Orientalizing features of the literature on Ali overlook or elide his military and diplomatic successes, so too do they attempt to do away with other manifestations of his growth and self-conscious evolution as a ruler. Fleming shows that the cultural representation of Ali Pasha by the West was not simply nor mainly a way of dominating him.

The process that brought about the shift from a feudal system, marked by social estates, to one characterized by variegated economic classes in the modern sense of the term saw a parallel transition, similarly structural, from a system of religious states millets to modern nation-states. Henry Holland: Travels in the dominions of Ali Pasha British travel writer Henry Holland offers a biography of Ali Pasha and a description of his journey from Janina to Tepelena.
