## LGBTQ parenting revealed in memoir and research

Further reproduction is prohibited without permission. So many of the parents came up to us to let us know that hearing his paper had changed their view on their vote.

**Family acceptance of lesbian, gay, bisexual and transgender youth protects against depression, substance abuse, suicide, study suggests**

Some families also include grandparents, foster parents, aunts, and uncles. It is concluded that rearing in a lesbian household per se does not lead to atypical psychosexual development or constitute a psychiatric risk factor. By the late 1980s, men in gay fathers groups were helping circulate information about gay adoption, and by the early 1990s, these groups had a
