## Justice

We close with some methodological reflections about the compatibility between our normative claims and the realist program in political philosophy. The relation of religion to the state is undeveloped in these writings, but Hegel is clear about the supereminent role of the state that stands above all else in giving expression to the Spirit Geist of a society in a sort of earthly kingdom of God, the realization of God in the world.

### Critically examine Plato's views on justice and social classes. Why were these views regarded as autocratic by some critics?

Wrongdoing must be balanced or made good in some way, and so the criminal deserves to be punished.

### Nature, Justice, and Rights in Aristotle's Politics

We can improve access to healthcare by increasing diversity among administrators and requiring written resources in multiple languages. The Administration of Justice In the smaller kingdoms of ancient India, the king was the sole source of justice, acting as the judge, jury and executioner. Hegel lectured on various topics in philosophy, most notably on history, art, religion, and the history of philosophy and he became quite famous and influential.

## Justice

Finally, Paine conceived of autonomous democratic nation-states forming alliances of mutual aid. Main article: Advocates of the social contract say that justice is derived from the mutual agreement of everyone; or, in many versions, from what they would agree to under hypothetical conditions including equality and absence of bias. Epistocrats may be right that all else being equal, a more competent electorate would produce better decisions, and epistemic.

## Aristotle

Still, there are many ideas, so the question of their connection is a difficult one.

## **Origin of Justice in Ancient Political Philosophy**

PhD in International Politics from University of Adelaide Executive Masters in Public Administration ANZSOG Adjunct Professor, University of New South Wales, Distinguished Fellow Institute For Regional Security IFRS Distinguished Fellow Centre for Air Power Studies CAPS. Paine said our first duty is to be kind to others. Moreover, their charge is to further the general interest of society and not the interest of a particular association or corporation instead ¶ 308-10.
