Ce concept a aussi été utilisé par dans sa critique de l'éducation contemporaine en Occident. In his late dialogues, the influence of Parmenides becomes predominant and the dialogue as such becomes monotonous, almost a monologue. Contrary to the dialogical view, neither the authoritarian nor relativistic view is capable of according sufficient place to the art of listening.

Paideia — Wikipédia

This view however makes the teaching and the pursuit of truth impossible because everybody already has his or her own truth.

Αρχακή

For the relativistic view, listening is an arbitrary gathering of information, a search for something interesting, in a sense fitting to one's taste or stimulating one's thoughts or feelings. Greek Paideia and its Contemporary Significance Morimichi Kato Tohoku University ABSTRACT: We argue that there are three basic views of paideia in ancient Greece.

Αρχακή

Étymologiquement, il signifie « éducation » ou « élevage d'enfant ». An ideal and successful member of the polis would possess intellectual, moral and physical refinement, so training in and was valued for its effect on the body alongside the moral education which the Greeks believed was imparted by the study of , , and .
