## Resurrection Quotes by Rowan Williams

What I find most powerful about Rowan Williams' writing is my constant sense that there is someone there, really there, behind the theology, that he is baring his soul to you in the process of writing. As this Resurrection: Interpreting The Easter Gospel, By Rowan Williams will be in this book, all books that you need will certainly be right here, too. But no matter where we are, the Bible offers truth and guidance to help us know Jesus better, grow closer to Him, live victoriously through Him, and experience the joy of sharing Him with others.

## Easter: Exploring the Resurrection of Jesus

He also draws the examples directly back to the biblical texts and witnesses, to highlight the enduring qualities of such stories. You seek Jesus of Nazareth, who was crucified. Saul was transformed by his mystical experience of the Risen Christ.

## Reclaiming the mystical interpretation of the Resurrection

## Reclaiming the mystical interpretation of the Resurrection
